GENERAL REPORT - SLTC

**RACE 7 (R1562) CLASS 4 – 1400M (LONG COURSE A), SUNDAY, 17
DECEMBER 2017, SELANGOR TURF CLUB DECEMBER MEETING 2017**

The Stewards, on Tuesday, 2nd January 2018 at the Selangor Turf Club, enquired into the running and handling of PURPLE RAIN LADY (S Sandana) which raced well back in the field before making significant progress in the last 300M to finish sixth. They interviewed Jockey S Sandana and Trainer KF Wong, the rider and trainer of PURPLE RAIN LADY respectively.

Trainer KF Wong stated that he expected PURPLE RAIN LADY to be well suited by the 1400M distance of the race. However, this was the first time she had raced on a “Good” surface and all her previous form had been on “Yielding” or “Soft” going. She was also racing in a higher grade than her previous start, which she won. He explained that the step up in class and the firmer track had exposed the filly’s lack of pace.

Jockey S Sandana stated that PURPLE RAIN LADY had never been able to match the speed of the rest of the field until her rivals started to slow in the last 300M. He felt that although the filly had appeared to finish the race off strongly, it was in fact the case that she had maintained her own pace and passed tiring horses. When questioned on his intermittent use of the whip, he argued that PURPLE RAIN LADY responded well to hands and heels riding. However, he admitted that the filly had surprised him with her late rally on this occasion, the first time he had ridden her in a race.

Having heard their evidence, the Stewards warned Jockey S Sandana that in future he should ride all his mounts in a manner that leaves no room for query. With regard to Trainer KF Wong’s opinion on the unsuitability of the “Good” track for PURPLE RAIN LADY, the Stewards reminded him of his obligations under MRA Rule 35(7) to report any matters which may have affected the performance of his horses in a race.
